Constantly Changing,
but Always Ourselves

EL LOBO 1973

Basic High School
Henderson, Nevada

Basic High School is a school of constant changes. Its greatest change came this year in the form of its new building, the most modern in Nevada. Always a beautiful school, it was in need of a larger facility to assure each student of an education suited to his needs.

The campus still is not finished, and the next few years will see the completion of an Olympic-size swimming pool, a football field, baseball fields, tennis courts, and several other facilities.

FACULTY AND ADMINISTRATION

Changes always bring mass confusion, no matter what the improvement.

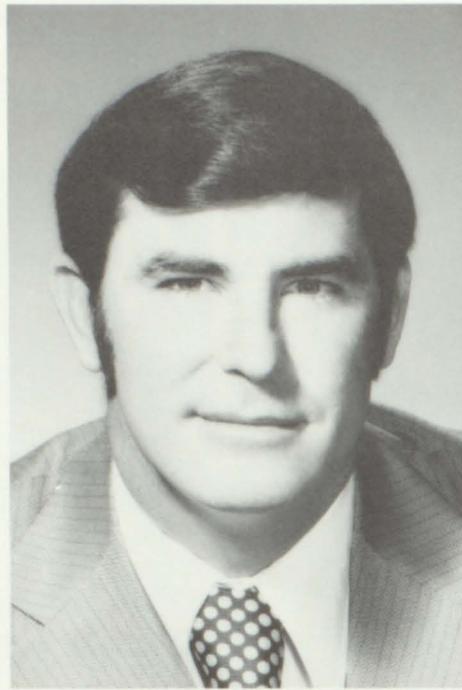

Basic's faculty moved into a new building for 1973, and many are still wondering what happened to the one box that contained their favorite supplies — like staplers.

Besides this, they had the usual chores of meeting new students, planning class schedules, and then trying to impress upon the students why they should do their homework.

Second Year Principal in a First Year School

"It has been an extreme pleasure and honor to serve as your principal, but it is even greater this year since we have new school facilities that are as good as any in the country. Not only are our surroundings more modern and up-to-date, but we have been provided with more learning tools in the form of additional equipment. I sincerely hope that by the time you receive this message, you will have taken advantage of the added opportunities, receiving your fair share of learning to enrich your future." -Estes McDoniel

Mr. Estes McDoniel, principal, contemplates new activities for Basic's students while his secretary, Mrs. Paula Pfister, checks her files for student records.

Mr. Don Smith, Assistant Principal, busily works to get teachers' supplies.

Assistant Principal, William Rohnkohl, takes time from his many duties to talk with a concerned parent.

Keeping Them Clean, Fed and Happy

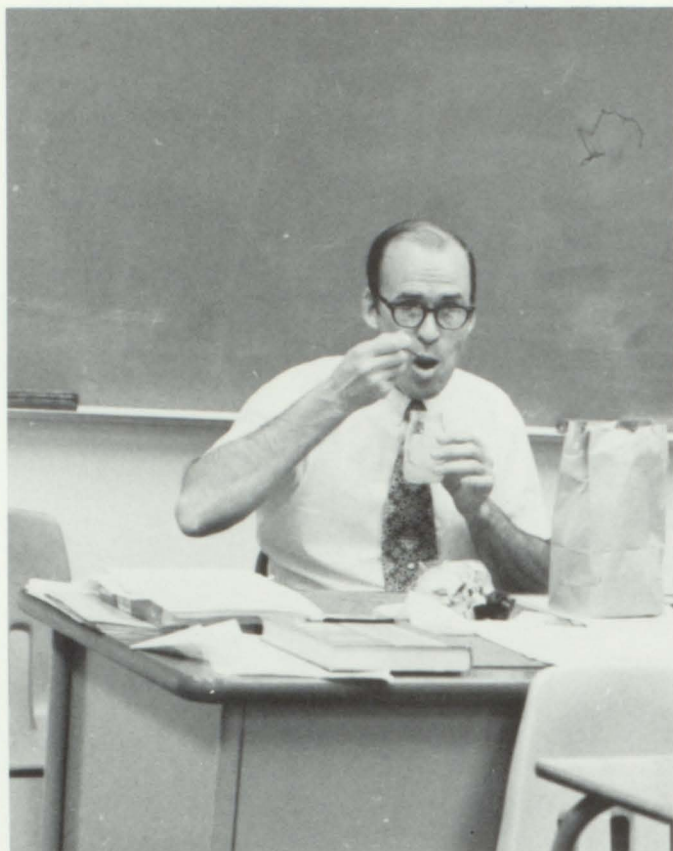

This year, the cooks with their new equipment were able to supply the students with better meals in less time. Even though the lunch time was short and the students were many, they all came away well fed.

The custodians found that the new grounds presented many new problems of care, but with the enlarged crew, they kept the school running smoothly.

Cafeteria workers Barbara Bradshaw, Virginia Johnson, Nellie Summer, and Wanda Gibson help to prepare our lunches.

The science department has opened new worlds to explore for Basic's students. There is nothing more exciting than to go into Biology and discover that the squiggly lines under the microscope are actually what you devoured yesterday at lunch. Chemistry doesn't do much to reassure your stomach, but it does let you know that at least you can fight back.

In Special Education, Basic's tradition of teaching each student according to his needs, is carried on. An emphasis is placed on mathematical competency and the class is designed to help the student become socially well-adjusted.

Learning With Hobbies

Industrial arts teach students valuable skills such as automobile tuning, leather craft, ceramics and drafting. In wood shop and metal shop the main objectives are constructing projects and developing manual dexterity.

This year home ec. had the valuable use of a child observatory. This new facility enabled the students to watch children in action and learn how to handle them. In addition to child care, home ec. included sewing, cooking, foods and interior decorating, which prepared the girls to run households of their own.

Increasing Knowledge Through Numbers

Struggling along in math, the students found that although equipped with new rooms, geometry and algebra still have the same theorems. When thoroughly desperate, Mrs. Anderson's classes were able to relax with her many mind-teasing games.

Besides new typewriters, the Business Department was the proud new owner of a teletype machine linked up with a computer in Reno. Learning to use the teletype provided the students with many interesting classes. Along with teaching the operation of computers, the Business Department prepared the students to enter the business world.

Studying the Past to Enlighten the Future

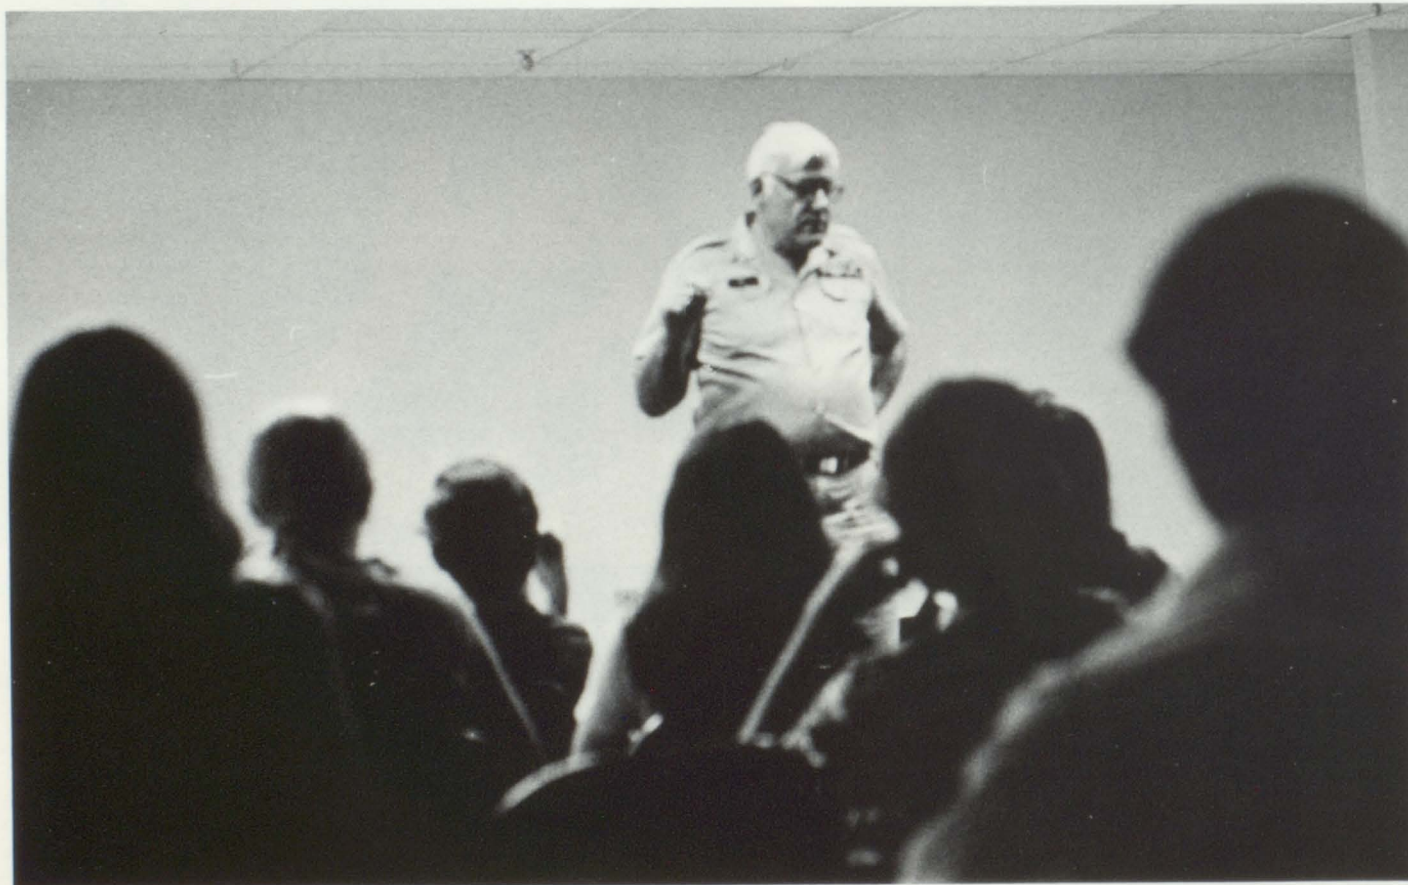

Social Studies course offerings are wide and varied, beginning with the studies of ancient civilizations in freshman World History, continuing the story of America's development in junior U.S. History, and culminating with the senior studies of U.S. Government, a class which makes students aware of the intricacies of running a large, complicated present-day government. Building Strong Bodies to Go With Brilliant Minds

STUDENT LIFE

Along with the academic side of Basic High School, the varied activities offered by the school are important to the students.

The 1972-73 school year saw changes in this area of Basic's life as well. Many new activities were organized, others continued to grow, and they all adapted themselves to the new school grounds—with very interesting results.

Basic's Student Body Officers were: Mike Kelly, V. Pres.; Terry Dalton, Pres.; Patty Brady, Treas.; Trisha McCollam, V. Pres.

In addition to annual projects, the Student Council sponsored several special events, including a dance with the proceeds going to the National Multiple Sclerosis Society.

With the help of the office girls and secretaries, a student directory was published.

Prior to the holidays, Christmas Week was launched with

Santa Claus, trees, decorations, and the whole bit.

The sale of miniature footballs, pennants, lollypops, and ribbons, brought needed revenue to the Council.

Putting It All Together

If you happened to look into Room 140 early some morning, you would have found it a pretty hectic place.

The staff discarded the traditional ideas which had dominated the previous issues of the El Lobo, and in turn they instituted a new, modern look into the yearbook. In order to add the extra pages necessary to modernize the book and still record the year's events, they sold more ads than ever before.

The staff and their advisor, Verdona Purcell, sincerely hope that you enjoy the 1973 El Lobo.

CLASSES

It is in the students themselves that the greatest changes take place. Each year, as the students get closer to their goals, they work for an education as well as the usual important activities like parties, club work, and dances.

Throughout it all, the freshmen gradually become seniors, and after four years, the great day of graduation finally arrives.

A New Beginning With a New School

The Class of '76 is proud to be the first class to represent our new Basic. We believe that through our spirit we can build a great student body.

This year our freshmen, led by Vonnie Kelly, have shown true leadership. Through the success of our Home-

coming float, we proved this.

In our remaining years here we plan to add to our success and make Basic the greatest school in the state of Nevada.

Class of "75" Keeps Up the Spirit

Teresa Stacy, V.Pres.; Jim Ness, Pres.; Michelle Green, Sec.; Barbie Lindblom, Treas.

As the Sophomore Class of '75, we have done our best to support our new Basic High School.

To start out the year, we elected new representatives.

Next, we put on the Sophomore Reverse with Jim Ness and Jean Schmidt reigning as king and queen. The colors were pink and burgandy, and "Your Song" was the theme song.

The biggest disaster since the sinking of the Titanic was

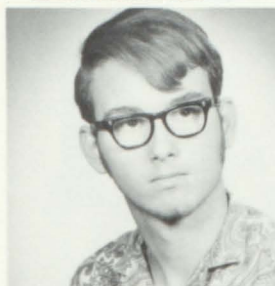

the downfall of the Sophomore Homecoming float. We started out enthusiastically, but with many setbacks which we pulled through. The float was a mammoth world of blue and white which represented the theme, "We've Only Just Begun." Upon arriving at the Homecoming scene, the world tipped, bringing the float down with it. We ended up parading around the field carrying a silver "75" glittering in the night.

The Class of '75 proudly keeps up the spirit!

Juniors Are Confident of Their Future

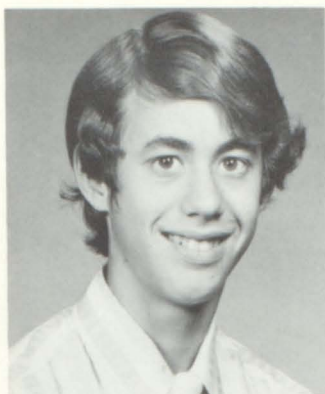

Joe Gubler, Pres.; Cathy Orton, Treas.; Debbie Falvey, Sec.; Dwayne Lefler, V. Pres.

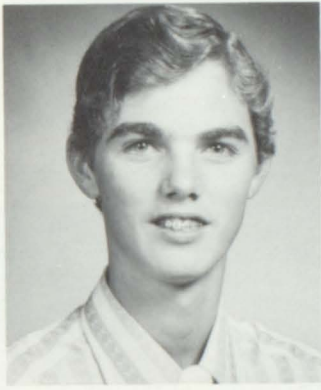

Despite the tremendous change in schools, the Juniors quickly adjusted and set about working to make the new Basic High School a success.

They began by winning first place in the float judging

during Homecoming. Entitled "We've Only Just Begun," the float depicted a giant birthday cake with one candle. Although the Junior Carnival was postponed until spring, the class got together and with a lot of hard work, got it running smoothly.

Seniors Face Greatest Task of All

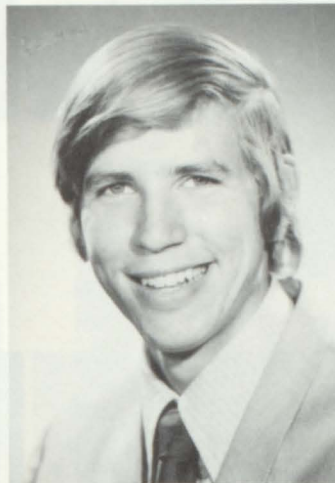

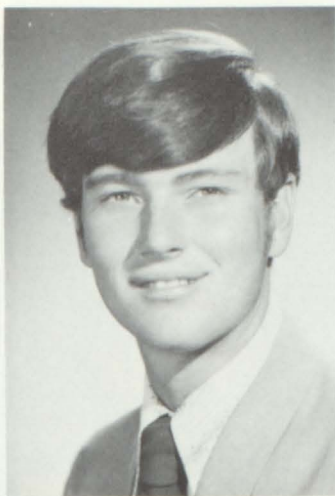

The 1972-73 school year was a year of constant change for the class of 1973. The first great change they faced was the big move to the new school. They found it very difficult to retain their role as the leaders when they were just as lost as the underclassmen. But soon they adjusted and led the school in planning one of the best homecomings ever.

The new school brought many changes for the Senior class. With it came the added privilege of a private office for the Senior class officers; many new traditions were started including Christmas Week; and plans were made to move the "B" to another mountain closer to the new Basic.

Mr. Beatty's term paper brought changes in the lives of many Seniors. They suddenly learned what the word homework meant.

Seniors still have to be Seniors, so when Senior Ditch Day rolled around, they all enjoyed unscheduled extra-curricular activities. Finally, with graduation, Seniors faced the greatest change of all. As their class motto stated: "Ours is the greatest task of all: making today's hopes and dreams tomorrow's realities."

Senior class officers were Denny Sloan, Vice-Pres.; Jeanne Ackerman, Treas.; Carol Balmer, Sec.; and Roger Valentine, Pres.

BEGINNINGS AND ENDS

In every phase of life there are starts and stops, undertakings and conclusions, beginnings and ends. We all experience these beginnings and ends in the death of a loved one, or the birth of a new promise of joy.

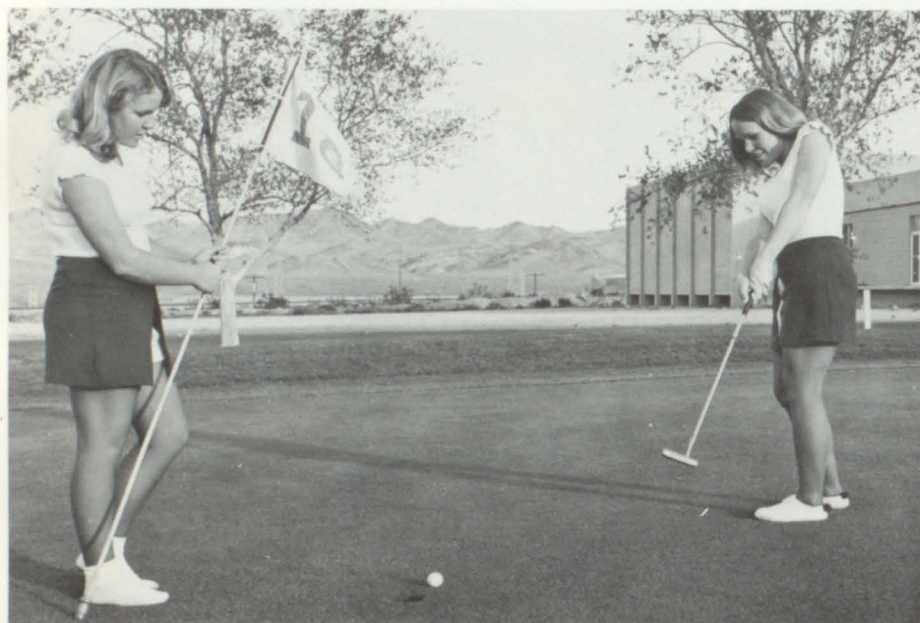

Now is the time for all of us to experience the death of a loved one—our years at Basic High School, but this end starts a new beginning. We must not look backward at the years behind us. For to go backward

at a time in our lives when we should be going forward is like starting a book at its end and reading toward its beginning, which, in essence, is ending our future before it has even begun. Let us leave behind our present way of life and find the promise of joy the future holds.

—Mark Bradshaw '73

Making a Difference in the Community

SPORTS

The sports department of Basic High School underwent many changes during the 1972-73 season.

Although many fall sports events were held at the "old Basic", the fields were finished by spring so that all future events could be held here. Upon completion, Basic's sports facilities will be one of the most extensive in the state, including an indoor swimming pool.

GAA Is Basic's "Prime Cut" of Talent

This year's GAA has won more games and scored more points than any other team in its league. The girls were ready for any situation and coped with the major problems as easily as the simple ones. Their adviser, Miss Ryan, really had something to be proud of.

The girl's basketball team pauses to think before winning another game.

GAA members are: **Row 1:** R.Nies, M.Gull, B.Swackhamer, R.Brown, L.Schmidt, D.Weatherman, L.Fansher, D.Fuller, L.Hoskins **Row 2:** C.Anderson, J.Schmidt, B.Jeffery, B.Lindbloom, N.Hazeltine, M.Causey, L.Rivera, S.Giles, D.Murphy, L.Giampapa

Basic's Best Display Strength and Talent

Will Kemp yells, "Hi Ho Silver, Away," as he jumps on his donkey to pursue Coach Smuskiewicz.

Calvin Garland wrestles with Coach Smuskiewicz for the ball during the Letterman's donkey basketball game.

Members of Lettermens Club are: **Row 1:** R.Fancher, G.Yancey, J. Cochran, J.Adamson, D.Brandon, T.Dalton, W.Kemp, D.Sloan, B. Swackhamer, T.Dalton, B.Hall **Row 2:** J.Wicha, R.Lee, G.Russell, G.Brush, W.Hendly, R.Kirk, L.Hoentsch, A.James, M.Kelly, **Row 3:** J.Weatherman, R.Gould, C.Garland, S.Savage, K.Joslin, B.Taylor, M. Giles, D.Smith

Cheerleaders Lead Us to Another Winning Season

At cheerleader's camp last summer the Basic girls won a superior trophy, two superior ribbons, two excellent ribbons and the spirit stick.

They lead us to a winning football season and brought out the enthusiasm needed to draw large crowds to our sports activities.

Varsity cheerleaders are: Kris Augspurger (Head), Patricia McCollam, Adelle Brady, Debbie Falvey, Bobbie Reynolds

Basic's wolf charges through to lead our attack on the Reno Huskies.

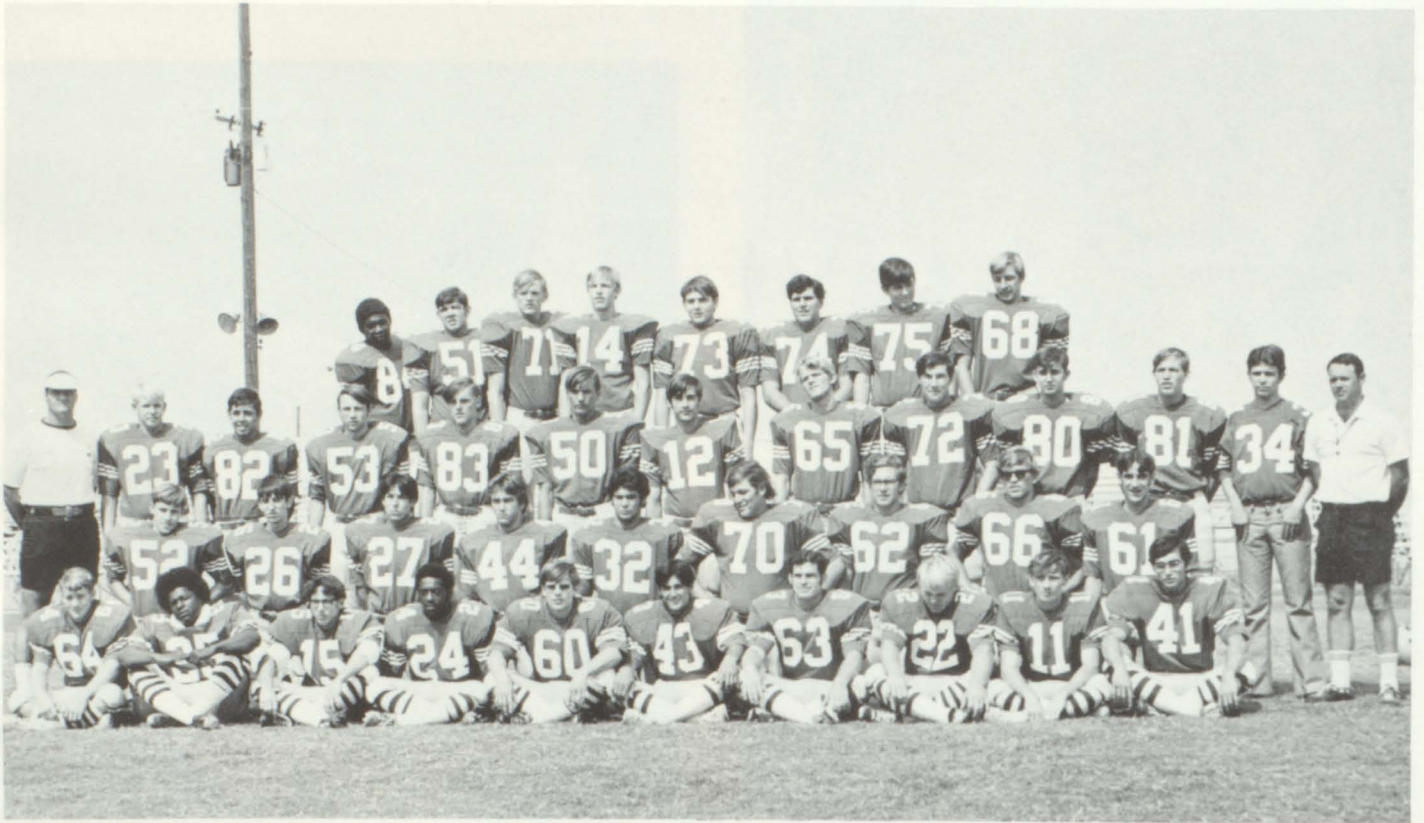

Our cheerleaders hold their own as Basic beats Kingman 75-6.

Patricia McCollam holds Bobbie Reynolds as they lead our spectators in a spiritous yell.

J.V. cheerleaders are: Kim Ireland, Monica Martinez, Betty Archuletta, Michele Green (Head).

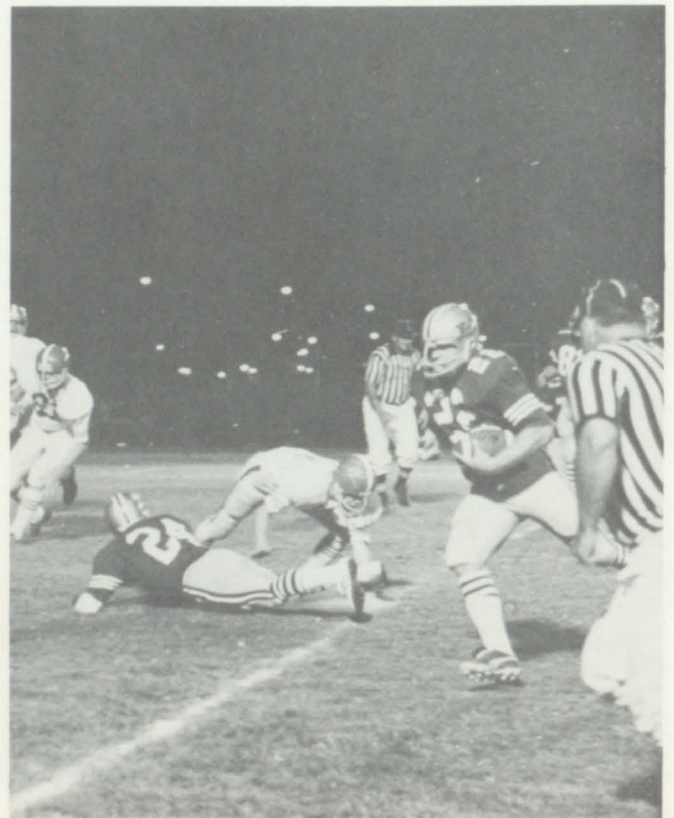

A Great Year for Football

VARSITY TEAM **ROW 1:** Andy Bales, Greg Yancey, Terry Dalton, Mike Kelly, Ty Dalton, Tom Salazar, Gordon Russell, Gerhard Hoentsch, Denny Sloan, Joe Adamson, **ROW 2:** Kim Hair, George Fancher, Danny LeBlanc, Guy Brush, Dean Brandon, Will Hendly, Calvin Garland, Rich Gould, Gary Russell **ROW 3:** Coach Joe Blockovich, Bill Taylor, Steve Mutoff, Curtis Prime, Ken Olsen, Rhett Kirk, Will Kemp, Ray Meshnark, Chuck Eighmy, Keith Joslin, Mark Giles, Ron Fancher, Mgr., Coach Chris Stanfill **ROW 4:** Andrew Willmore, Jack Wicha, Jim Weatherman, Stuart Giles, Sam Savage, Dave Padovese, Don Smith, John Wheeler.

Basic's potent offense made the yardage needed to beat the toughest teams. Our quarterbacks, Will Kemp and Bob Swackhamer, came across with fine passing and good plan calls to lead us to a winning season.

Lefty Hoentsch (22) makes a mad dash through the Boulder City defense.

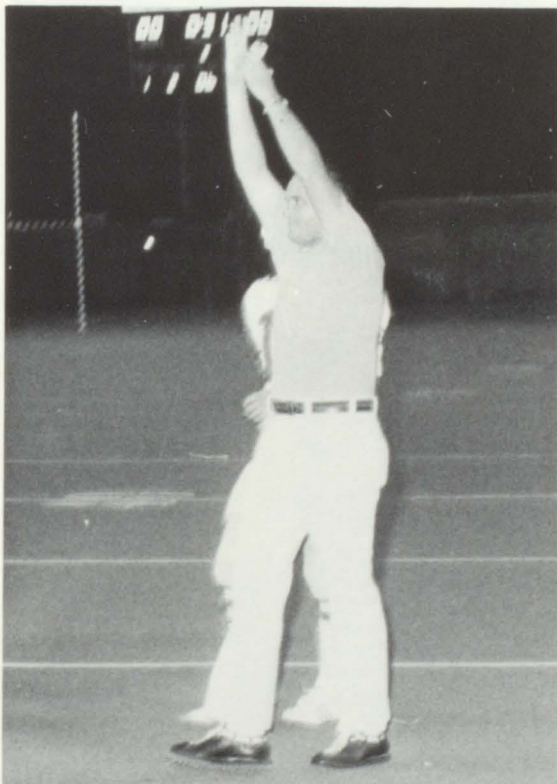

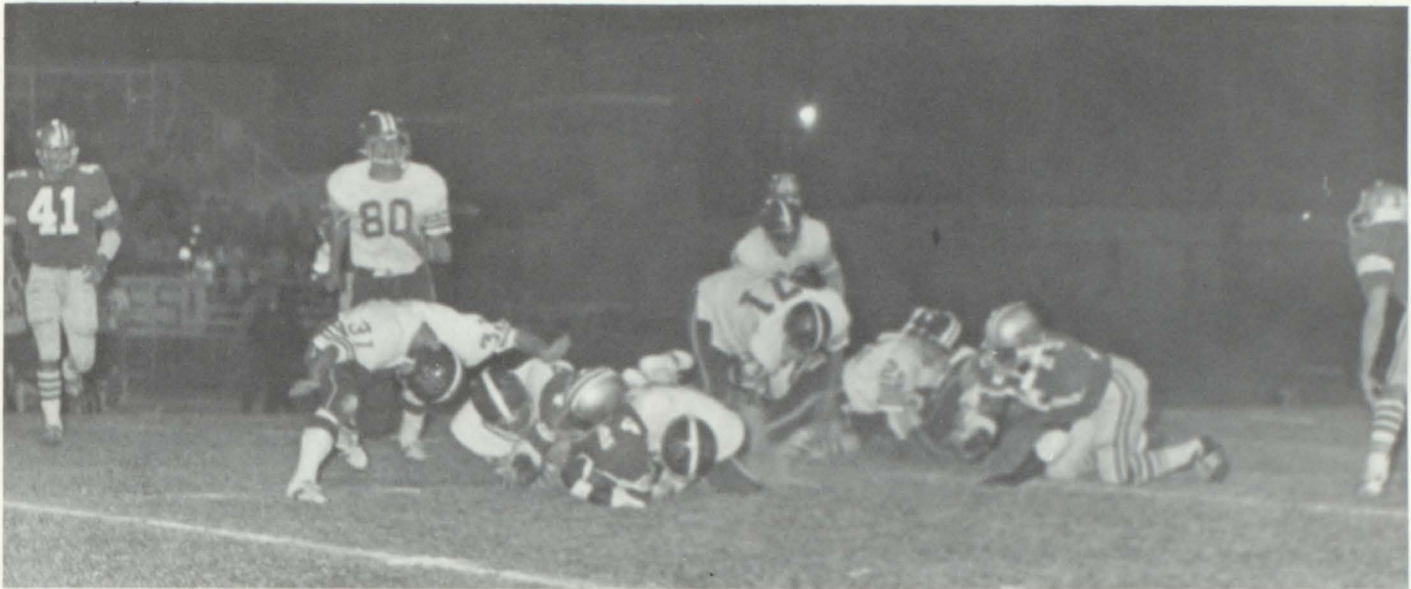

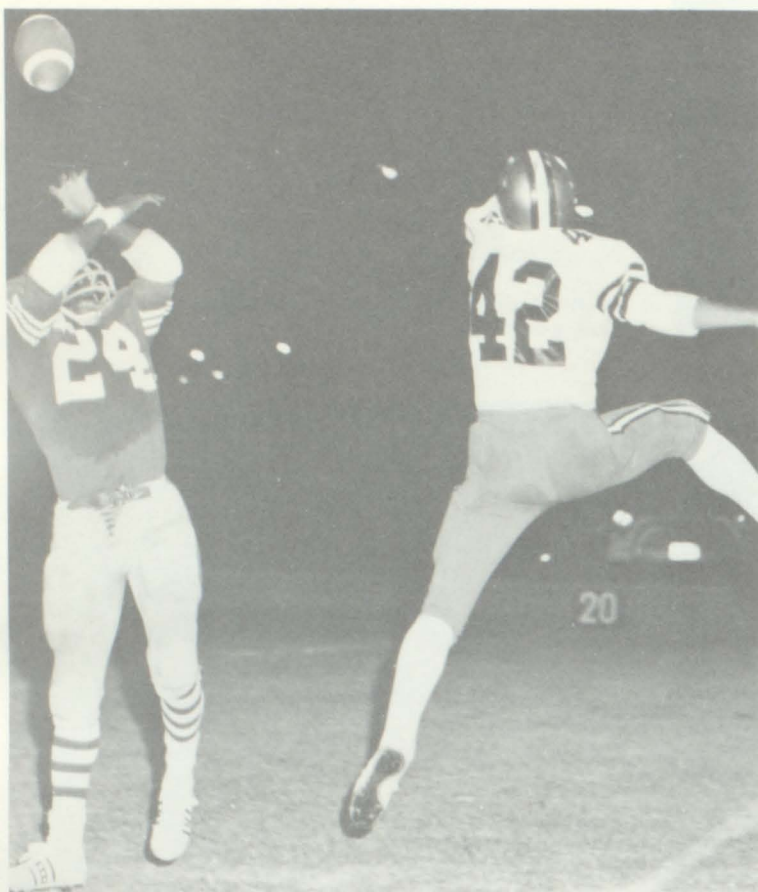

Bill Taylor (23) cuts down a Spring Mountain ball carrier to hold their scoring to six points.

Mike Kelly (24) dashes through the Reno defense for a tough gain.

Coach Blockovich calls "Time out" during the Gorman game.

Lefty Hoentsch (22) dances to another score during the Hurricane game.

Mike Kelly (24) scoops up a pass during the Clark game.

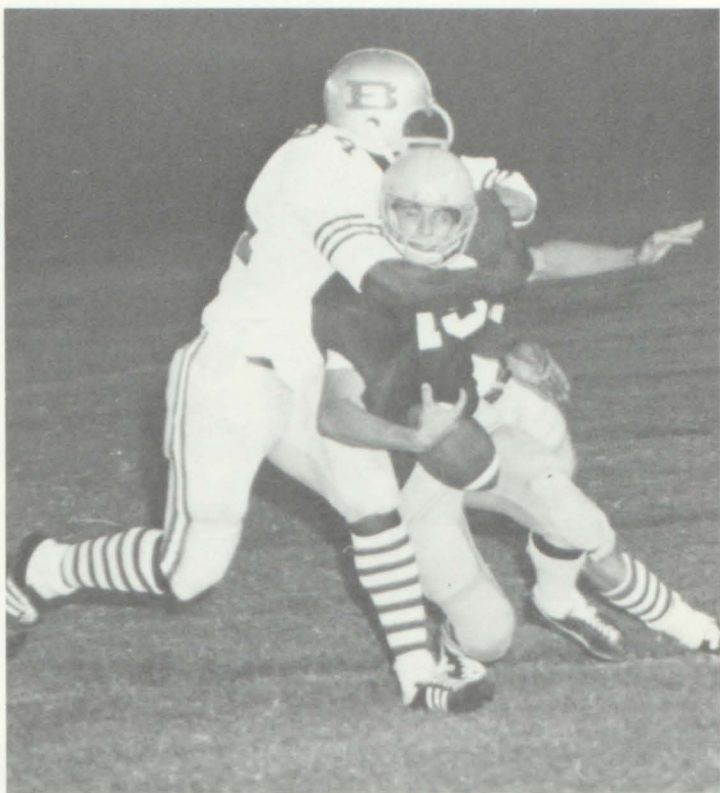

Greg Yancey (25) reaches for another one of Will Kemp's passes during the Boulder game.

Gordon Russell watches the Kingman game and worries about the scoring drive.

SEASON'S RECORD

Basic 12	Gorman	6
Basic 30	Boulder	6
Basic 35	Las Vegas	41
Basic 75	Hurricane	6
Basic 8	Clark	30
Basic 69	Needles	6
Basic 22	Kingman	0
Basic 13	Reno	26
Basic 6	Carson City	63

Andrew Wilmore cuts off the sweep during the Boulder game causing a fumble.

Guy Brush kicks the extra point in the Hurricane game as Lefty Hoentsch leads the blocking.

Andy Bales, Ray Meshnark and Keith Joslin tensely watch the Boulder game.

Lefty Hoentsch (22) runs through a mass of hands for another TD in the Boulder game.

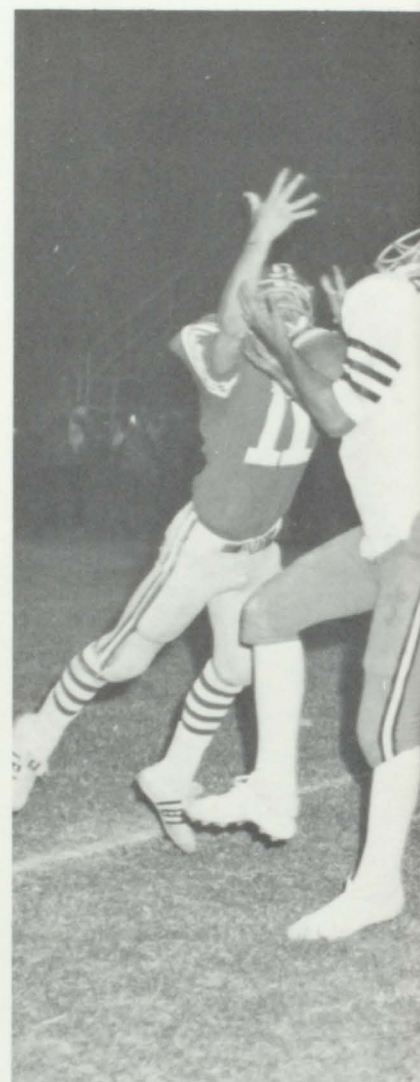

Mike Kelly (24) scrambles across the goal line for another touchdown against Boulder.

The coaches and Danny LeBlanc (32) show their appreciation for Stuart Giles's touchdown against Gorman.

Basic's End receives another pass in the midst of the Kingman defense.

Basic's awesome defense puts forth the effort needed to stop the Hurricane punt.

Denny Sloan (11) and Terry Dalton (15) surround the Clark End to halt his passing threat.

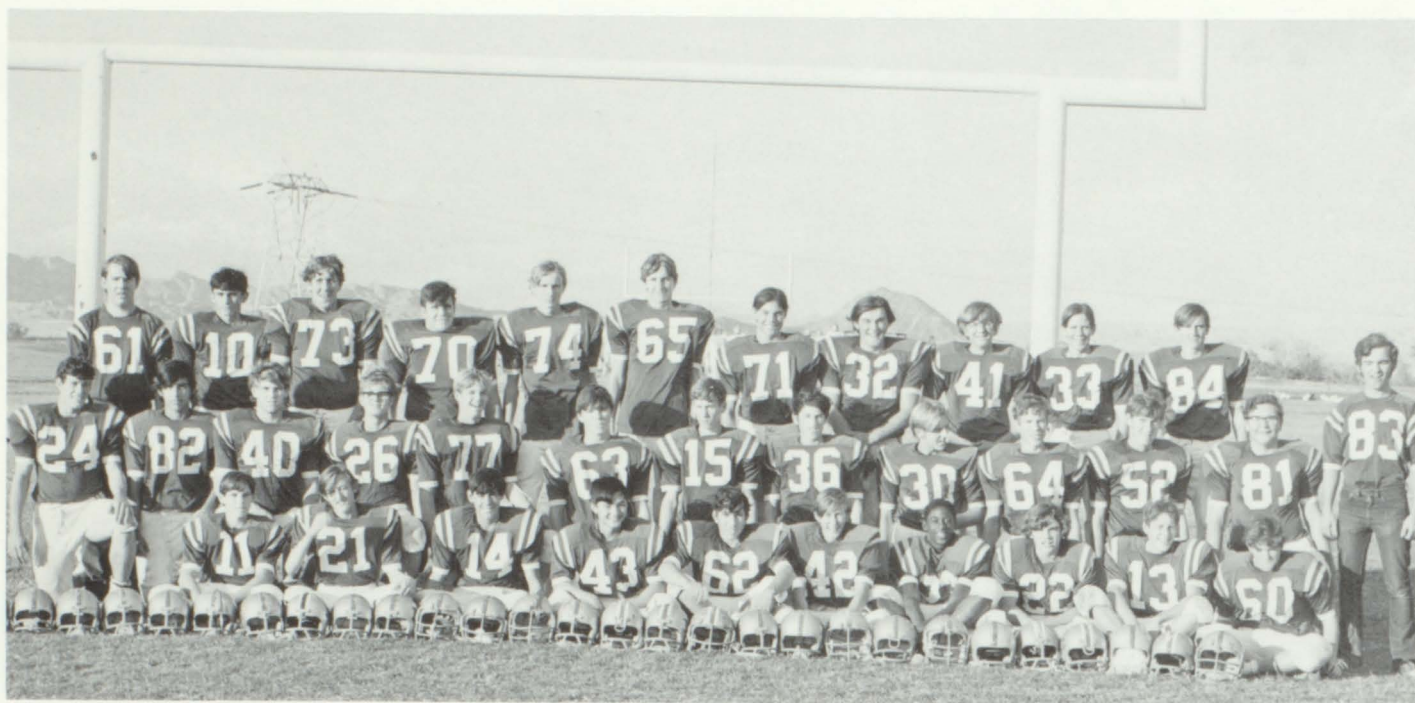

Basic's defense, like the offense, presented our opponents with the best drives attained during the last few years. Their scores were held to almost nothing, while our offense drove to as high a score as 75-6.

Leon Palsgrove tips the ball to our side to give us that extra edge.

Fred Turner shoots from the middle of the pack and hopes the shot is good.

Basic's soccer team was completely rebuilt this year, with the veterans teaching the rookies. They were hurt from the start with broken bones and the flu. Yet they seemed to overcome this with the agility and speed needed to defeat their opponents. They didn't win many games, but no one can ever say they quit or slowed down. They wrote this year up as experience.

Girls Tennis Organized

This was the first year that Basic had a girl's tennis team. Under the supervision of Mr. Laughlin, Mr. Huffman, and Mr. Smuskiewicz, the eight girls learned many techniques and continued to improve throughout the season. The prospects for next year's team are good as there are only three members graduating. At the end of the year, the team went to sunset park for practice and after practice enjoyed a picnic.

Constantly Changing, but Always Ourselves

Life is full of changes, and it seems as if most of them take place in high school. This was especially true during the 1972-73 school year at Basic, for not only did we students have time to review our ideals and expectations, but we were able to do this while learning in a brand new facility.

In four years a lot can change, and this is particularly evident in the new outlooks of friends and of the whole world in general. But even in updating our ideas, we must be sure never to go along with something just because "everyone else is," for if we lose ourselves, what do we have left?

We, the El Lobo staff, have tried to keep this in mind while creating the 1973 El Lobo. Although utilizing the most modern designs, we attempted to fit the book to Basic's life and to incorporate our theme: "Constantly Changing, But Always Ourselves."

This yearbook would not have been possible without the help of some very special people, and we would like to take time to thank them now. Thank you to:

The businessmen of Clark County for their needed financial support.

WARREN FRANK for designing our modern and attractive cover.

SANCHEZ STUDIO for their excellent photography.

JOHN SHANNON, GEORGE BARKER, and GEORGE APPLETON for donating their fine photographs.

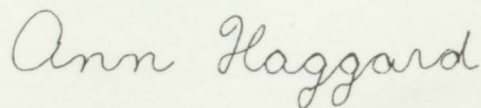

MARC ROSE, KENLEY ANDERSON, and KURT SEGLER for dedicating many hours to taking and developing photographs.

The faculty for their patience and cooperation, especially with our disrupting picture schedules.

The entire El Lobo staff for their time and effort in creating this yearbook.

MRS. VERDENA PURCELL, our adviser, for her photography skills, for the countless hours spent in making the 1973 El Lobo possible and for putting up with the staff.

Sincerely,

A handwritten signature in cursive script that reads "Ann Haggard". The signature is written in dark ink and is positioned above the printed name and title.
